

Assignment 3 bonus Component

IP Mini Project.

What to do?

In this bonus(Optional) mini-project, you can work in groups of up to 3 on a small mini-project of your choice. The project must involve code that has many modules (functions and/or classes), does something interesting, and has a reasonable amount of Python code.

How to submit?

Submit all the required files in a zip folder. Only one submission per group is allowed. The submission must be done by the group leader in the format: name_rollno_project.zip

Please note that this project is a bonus component of assignment 3, hence it is optional.
